## Multiple Lease Rental Agreement

**Definitions:** As used in this agreement "you" and "your" mean the person(s) signing the lease as lessee/renter; "we" and "our" mean the lessor/owner (the rental company); "property" means the items described in the disclosures; and "lease" means this Rental Agreement including disclosures.

**Type of Transaction: This is a Rental Transaction:** You may use our property for the term of the lease. Each lease shall consist of an initial minimum lease term, after which you may continue to rent on a month to month basis. At your option, you may renew a lease by making a rental payment for each additional monthly term you choose to rent the property. Each address will constitute a new lease and will be assigned a different agreement number.

**Title and Taxes:** We retain title to the property during each lease and will pay any taxes which may be levied on the property. You do not own the property unless you buy it by making a separate purchase payment which will be determined separately from this rental agreement and individual leases.

**Forbidden Acts:** You cannot sell, mortgage, pawn, pledge, encumber, hock or dispose of the property. You cannot move the property from the address the property was delivered to without our consent. Each of these acts is a breach of this lease.

**Our Rights to Take Possession:** If you do not renew a lease, we have the right to possession of the property. If that happens, you must return the property to us or allow us to take possession of it. If you fail or refuse to comply with this requirement, you agree to pay our costs incurred in taking possession of the property including reasonable attorney's fees.

**Assignment:** We may sell, transfer, or assign each lease without notice to you.

**Risk of Loss:** You are responsible for the fair market value of the property if, and as of the time, it is lost, stolen, damaged or destroyed. We recommend that you obtain insurance to protect you from this type of loss.

**Payment:** All leases will be pro-rated to have a due date on the 1st of the month. Each lease payment will be due on the 1st and payable by the 15th of the month following the due date of the lease. Any lease that is not renewed by the 15th is subject to termination and we may choose to recover the property assigned to that lease. **Any payment not received within 30 days of the 15th will be subject to a 10% late fee for each 30 day period beyond the 15th.**

**Termination:** You may terminate any lease, by voluntarily surrendering or returning the property in good repair, reasonable wear and tear excepted. A minimum lease term is required. If a lease is terminated prior to payment for completion of the minimum lease term an invoice for the remaining balance to complete the remaining term will be issued and must be paid in full. Upon termination each lease will be charged the exact number of days rented. If your return is prior to the due date you will receive a refund or credit. If your return is after the due date you will be charged for the remaining days. A 30-day notice of termination is expected whenever possible.

**Ongoing Relationship:** This lease shall constitute an ongoing relationship between lessor and lessee and shall cover all future leases. Each new lease will be designated as in effect once an order is received by any party authorized to receive the rented merchandise.
